University Activities

Align with EAB (Education Activities Board) University Resources Committee to:

1. **promote and foster IEEE EAB/URC activities**

2. **scout new university activities from Region 8 sections that can be scaled to other sections and regions**

University Activities Goals 2016

1. **Strengthen and promote ongoing activities**
   – IEEE Academic
   – IEEE / IBM Watson (new activity?)
   – IEEE Advanced Learning Workshop

2. **Scout new projects + ideas**
   – R8 University Activities Acceleration Program

3. **Accreditation Status report in Region 8**

IEEE Academic

➢ IEEE Academic is a student-driven and locally-based online educational resource developed in cooperation with professors and universities

➢ **Objective(s):** Provide students with a resource to aid in their academic learning and to help them achieve academic success

➢ **Target Audience**: Undergraduate and Graduate engineering, computing and technology students.

➢ **Concept:** Presented in multi-languages this is an on-line library of 5-7 minute videos that provide students with easy access to educational materials that can help them with hard to learn course concepts from classes at their institutions
