SAMIEEE for GOLDIES

How to extract GOLD data from SAMIEEE?

Region 8 GOLD Committee

› **The precise amount of GOLD members is a sum of two queries:**

  – **All members with GOLD Flag**
  – **All Graduate Student Members without GOLD Flag**

› **Slides below will present how to achieve the data**

Enter the website

http://analytics.ieee.org/analytics

Login with your credentials

Use your email address and account password

The main SAMIEEE window

# Starting to use the database
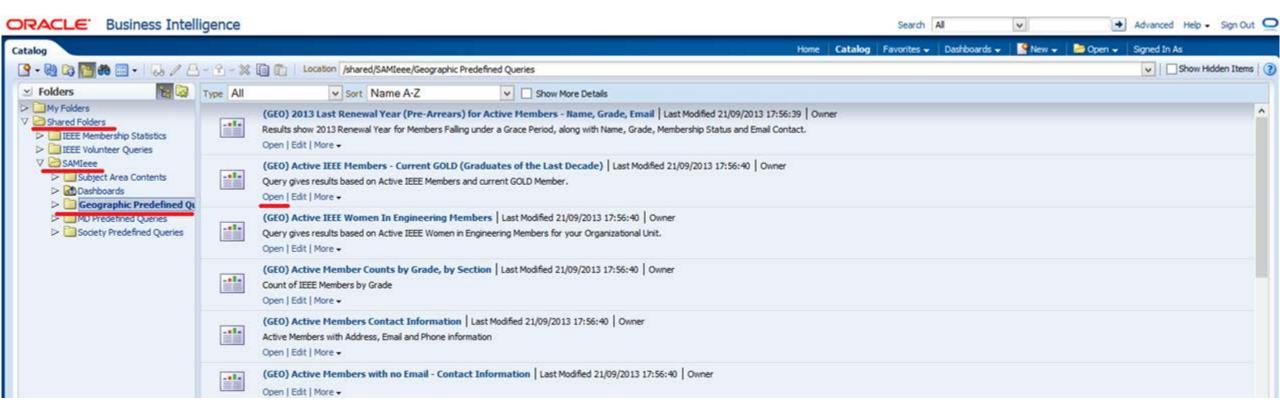

Click on the "Catalog" in the upper tab
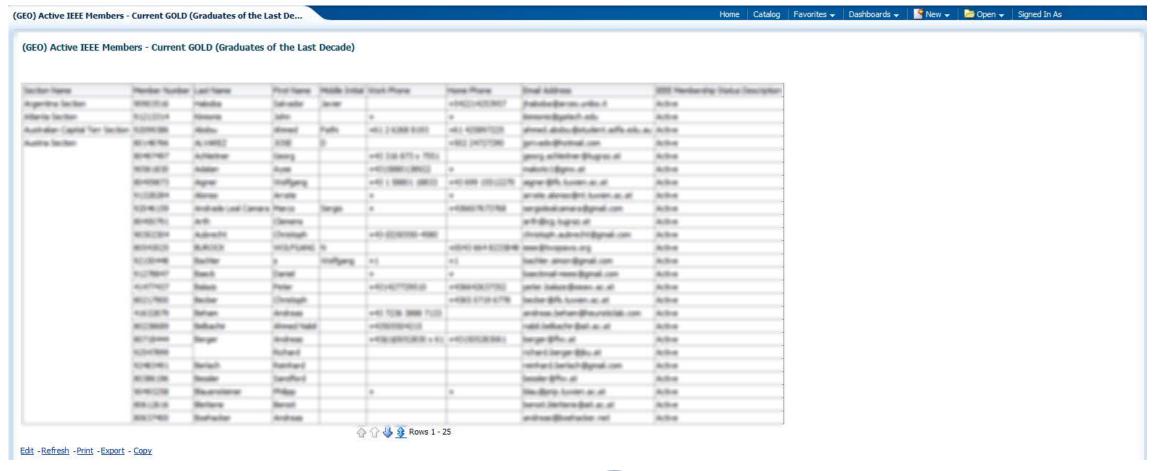

Selecting the right query

Consequently, in the left side click at "Shared Folders", "SAMIeee", "Geographic Predefined Queries".
Hence, in the main window click "Open" under the "(GEO) Active IEEE Members – Current GOLD…"

Result window

(GEO) Active IEEE Members - Current GOLD (Graduates of the Last Decade)
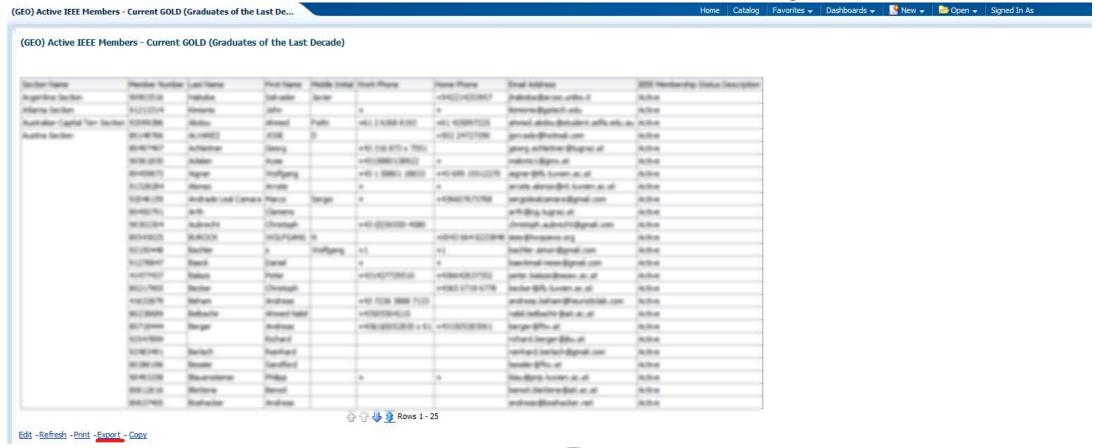

Exporting the data

In order to export the data to suitable format click "Export" at the bottom of the main window
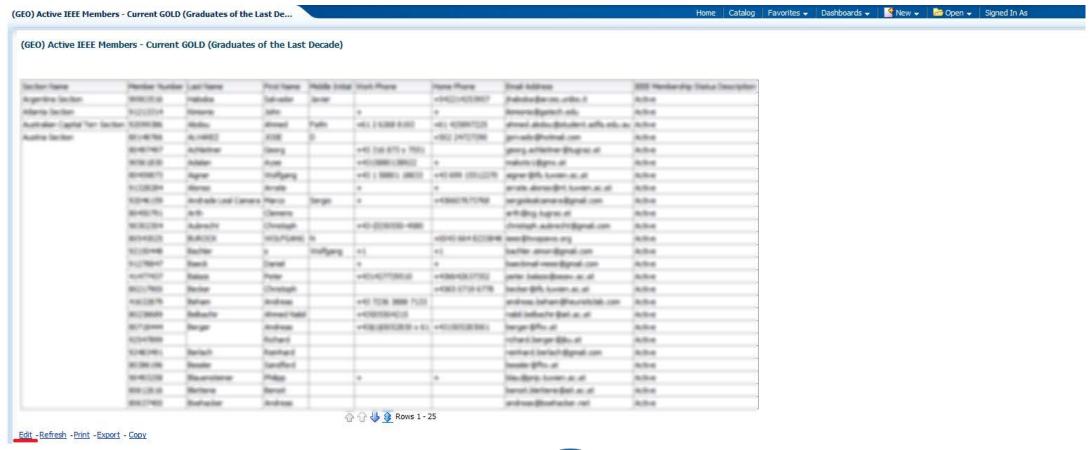

Excel 2007 data format allows smooth data handling

# Saving the query for further use

Click at "Edit" in the left lower corner of the main window
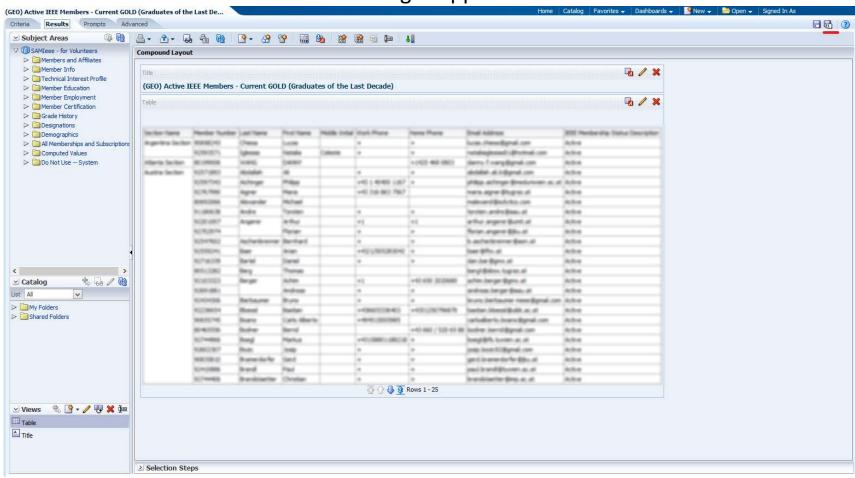

Saving the query - continuation

Saving the query

Click at "Save As" icon in the right upper corner of the main window

Naming and saving the query

Click at "My Folders" to save the query in your own folder
Then, enter the name of the query, i.e. "GOLD Members in my Section" and press "ok"
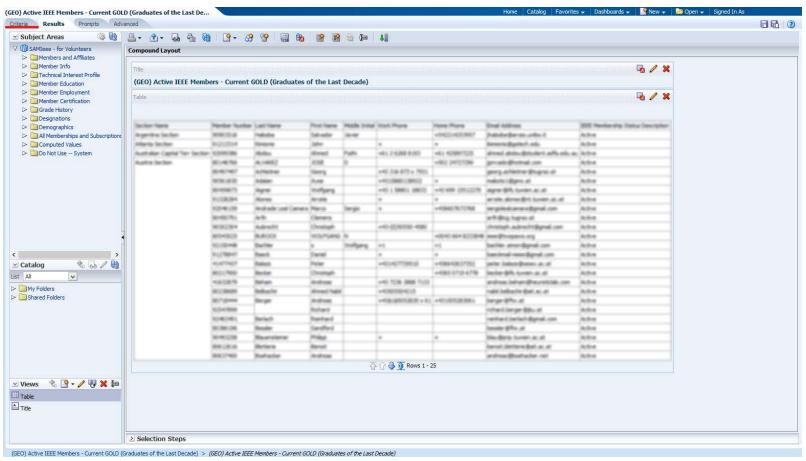

Changing the criteria of searching

Click at "Criteria" in the left upper corner to change the criteria of the query
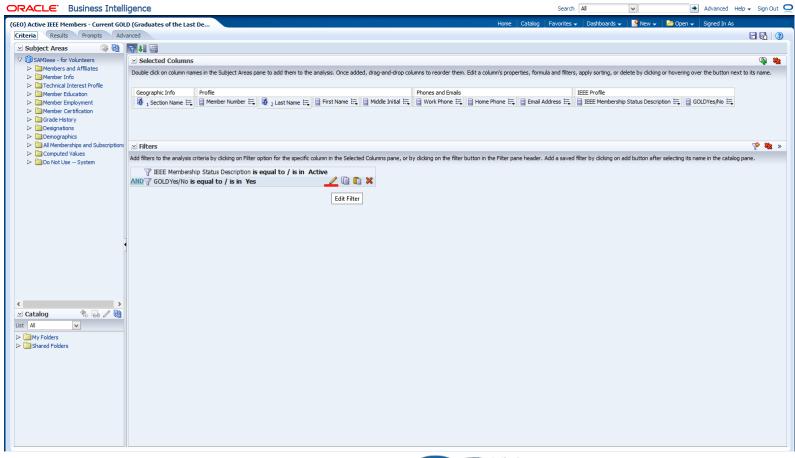

Editing details of the new query

Click at "Edit filter" pen-looking icon to edit the filter properties
Editing a new query

In the "Value" field deselect "Yes" and select "No", "Unknown" and "Unspecified"
Then press "ok"

Editing a new query
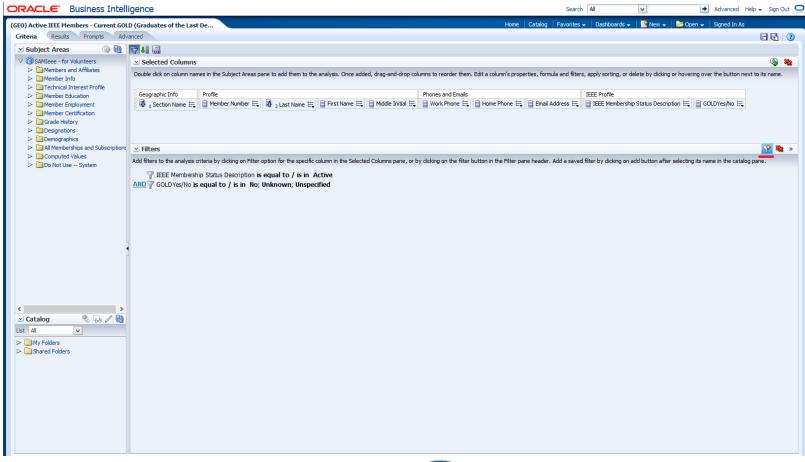

The result window of previous actions

Adding additional filter

Click at "Add Filter" icon on the right side of the main window

Additional filter

Click at "More Columns…" in the shown menu

Additional filter

Select filtering as shown in the image below and then press "ok"

Selecting a Graduate Student Member filter

Mark "Graduate Student Member" and press "ok"

Correct filters
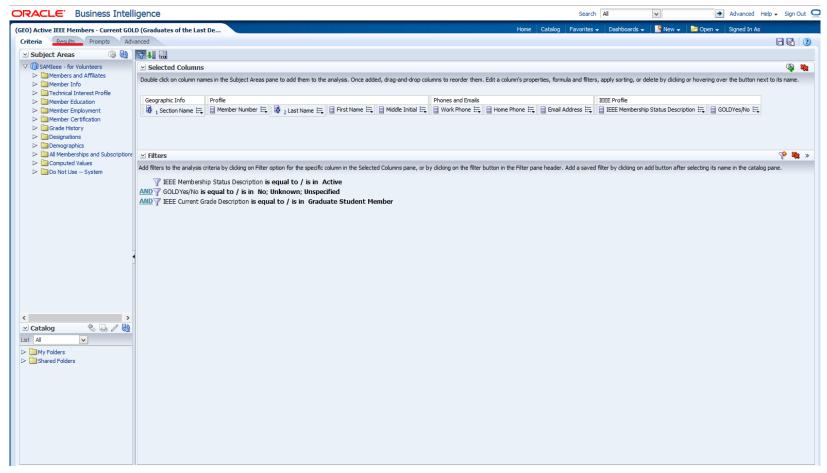

How the main window should look like

Applying adjusted filters

Press "Results" tab in the left upper corner of the window

Result window

Result window with GSM members without GOLD Flag

Exporting the GSM data

Click at "Export" icon and save the data in the suitable format

Saving the query

Click at "Save As" icon in the right upper corner of the main window

Naming and saving the query

Click at "My Folders" to save the query in your own folder
Then, enter the name of the query, i.e. "GSM Members in my Section" and press "ok"
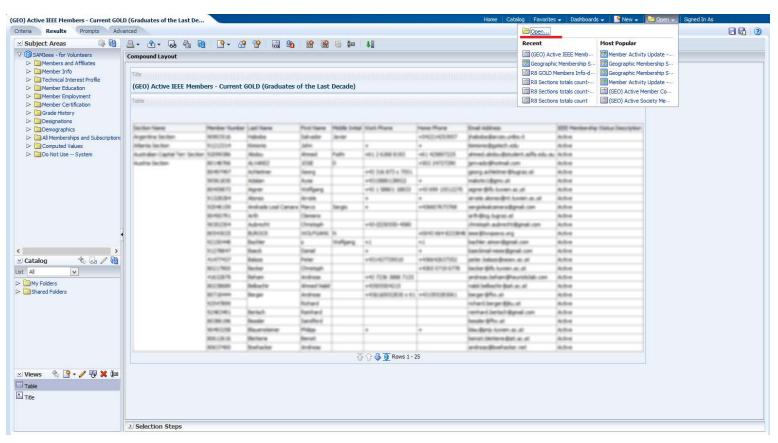

How to use saved queries

In the upper tab click "Open" and "Open…" as shown in the image

Queries available in My Folder dictionary

Previously saved queries are available in "My Folders" folder
Selecting the query and pressing "ok" will execute the query
