Dashboard Posts & Categories

The screenshot shows the WordPress dashboard for 'IEEE Region 8 Jubilee Book'. The main content area displays a list of posts with the following columns: Title, Author, Categories, Tags, Comments, and Date. The post 'Early history of IRE Region 9 / IEEE Region 8 - Draft' is highlighted with a red box. A red arrow points from the text '84 pages on Aug 11' to this post.

Project 2

R8 News Special Issue

- “Special R8 Anniversary Issue” versus “printed version” of the Jubilee Book
- 1 out of the 4 standard issues may be the “Special R8 Anniversary Issue”
- 24 pages instead of 12 in the standard issues covering the “Anniversary” on 16 pages.
- Costs about \$25,000 in addition to the normal annual budget

Project 3

R8 Archive

- All available material concerning Region 8 history should be digitized
 - minutes, rosters etc.

- Minutes of the R8 Committee Mtgs.
 - Scanned: 1962-1964 and 1987-2011
 - Hardcopies (not scanned yet): 1983-1986

 - **Hardcopies missing: 1966-1982**

Project 4

Anniversary Celebration

It is suggested that the Anniversary Celebration should take place in combination with a Region 8 Committee Meeting.

Date and venue will be determined later.

Thank you!
