**Membership per August 2011:**

The IEEE Germany Section has in total **7856** valued members. Thereof 133 Fellows and Life Fellows, 492 Senior Members, 1411 Graduate Student and 371 Student Members.

**Meetings:**

Appr. 50 - 80 technical Chapter meetings are held annually.

**Collaboration with National Societies:**

National Society Agreements with VDE was renewed 2012. The section continues to collaborate proactively with VDE. Agreement includes mutual fee deduction. NSA with 'Gesellschaft fuer Informatik' signed.

**Activities achieved and planned for the near future:**

- Support and sponsoring of Section and industry for awards and student activities;
- Continue financial support for student branches and chapter-meeting activities.

**Highlights:**

- Round Table media presentation at the Smart Grid Event in Berlin (February 2011)
- Presentation at CEBIT event, Hannover (March 2011)
- New Excom Board after Elections assigned for term 2011-2012, see above

**Best practices:**

Increasing number of EXCOM Members from industry.  
Active participation in media marketing activities.

**Topics to be discussed in San Francisco:**

IEEE deep social network involvement.

Better administrative and web based support for chapter event management for local chapters.
