- Signal Processing (SP-01)/Circuits and Systems (CAS-23): Urban Burnik
- Communications (COM-19): Iztok Humar
- Computer (C-16): Peter Peer
- Power Engineering (PE-031): Miloš Pantoš
- Education (E-25): Matjaž Debevc

Membership:

As of **15 July 2011**, the IEEE Slovenia Section has a total of 310 active members (1 Fellow, 18 Associate Members, 35 Graduate Student Members, 4 Life Senior, 228 Members, 14 Senior Members, 4 Life Members, and 10 Student Members).

Meetings:

Chapters are organizing events in their designated fields.

At this point we would like to report that University of Ljubljana was hosting IEEE Distinguished Lecturer Program speaker, Prof. Mark O'Malley with organization of PES chapter. The lecture was well attended by students, professionals and faculty staff.

Activities in the near future:

Section efforts in 2011 are devoted to foundation of GOLD, WIE and LM Affinity Groups.

We are planning activities in the field of professional activities, educational activities and industrial relations.

Major scientific, technical and professional events with Section co-organization in 2011 is ERK'2011, Electrotechnical and Computer Conference, Portoroz, September 2011. At ERK'11 we will celebrate 20th Anniversary of the conference and 40th anniversary of the Slovenia Section. Social program is planned at this opportunity.

ERK'11 will also host annual IEEE R8 Student competition contest. Individual chapters will organize workshops as their main meeting this year.

Best practices:

- SB Ljubljana active in field of Professional Activities and Industrial Relations with introducing speakers from the industry.
- Increase in technical activities organized by Chapters, e.g. hosted DLP at University of Ljubljana
- Celebration of 40th anniversary of Slovenia Section.
