- Han Van Loon (Switzerland Section)

To contact Professional Activities Team: r8pasc@ieee.org

2. STRATEGIC PLANNING

The PASC team is aiming to increase the understanding and acceptance of Professional Activities within Region 8 by providing support and expertise to sections, chapters, societies and student branches within the region.

MAJOR GOALS

1. Creation of a platform for members where they can learn how to improve themselves as individuals as well as experts in their respective fields. Professional Activities should provide a place for interdisciplinary collaboration and networking.

2. Establish a program of Professional Activities for Region 8 and thus increase the value and worth of IEEE membership for all members of Region 8.

3. Increase the understanding and the extent of Professional Activities within Region 8 by providing support and expertise to sections, chapters, societies and student branches within the region.

SPECIFIC GOALS

1. Continue the Professional Activities workshops with current and new trainers from different regions and new workshop topics. Increase the number of trainers available to PA activities. Establish contacts with local event organizers.
2. Introduction of IEEE R8 Thought Leadership Program - recognize successful presenters as IEEE thought leaders.

3. Improved utilization of technical support for PA activities available from IEEE headquarters.

4. Long term plan is to establish a series of PA Summits as a regional events, possibly jointly organized with an existing conference/congress and student/GOLD events.

5. Improved PA role and visibility in Region 8: publicize the PA activities by written material and different electronic media.

SUCCESS CRITERIA

1. Each section having an active PA representative communicating with PASC and local chapters and student branches.

2. 10 events per year (at least 2 regional workshop events targeting students and GOLD members)

3. Formation of a database with 25 - 50 trainers preferably from different sections in Region 8.

4. Formation of a database to keep the workshop organizers’ details and history of past events.

5. Quality of the events/talks/activities will be assessed through a questionnaire by Section Chairs/Student Branch Chairs/Section PA rep depending on the type of the event.

3. REPORT
