As of December 2010, there were 3992 members.

Meetings:
160 technical meetings have been reported on January 30th, 2010 (177 in 2009). Many meetings have not been reported because people are not used to the new vtool process.

Activities in the near future:
- 50th anniversary of the Section (October 2011)
- Organization of large conferences (SSCI, WCNC)
- Discussion with Higher Education Ministry for IEEE awards recognition
- Development of industrial relations within professional activities
- New chapters foundation (IM, ITS…)
- Joint awards (SEE, AGBM)
- Application for new milestones (André-Marie Ampère, Gustave Ferrié)

Best practices:
- 8 new fellows in 2011
- Milestone Branly in Paris
- IEEE representative in Euro-GEOSS project (easier VAT handling)
- ISCAS large conference (1200 attendees) with CAS-S
- Smaller conferences: ICICDT, ASAP, SVG-Open
- Help for credit card managing for SIBIRCON
- Brillouin award with SEE
• 2 new chapters (AES and CS)
