Meetings:

LAST 6 MONTHS: Over 7 Executive Meetings and 1 section meetings (October 26, 2010)
For the first time, IEEE Nigeria had an EXTRA-ORDINARY EXCO MEETING on 26th of February, 2011, where we designed a program for IEEE Nigeria for the next two years with the objective of making IEE Nigeria more prominent and positively affect the lives of members and Nigerians.

Activities in the near future:

We are collaborating with IEEE Ghana and IEEE South Africa to host the ICAST conference slated for November, 2011

Best practices:

Assembling about 10 members of the EXCO (only 3 were absent) to organise a two day intensive meeting devoted to chatting a new course for IEEE Nigeria

Topics to be discussed in Venice:

Training for Volunteers in Nigeria
How IEEE can support Educational institutions in Nigeria

IEEE Region 8
92nd Committee Meeting

April, 25th-26th 2009
Venice

Help with increased visibility of IEEE in Nigeria with relevant Multinationals and other cooperate organisations in Nigeria.
