Electronic Communications Coordinator (ECC)

George Michael, Region 8 ECC

The Region 8 Electronic Communication Coordinator's job is to facilitate communication, both between members of the Region 8 Committee, and between this committee and present or future IEEE members.

IEEE Region 8 – Sections Website Competition

The IEEE Region 8 had its first Sections Website Competition this year.

The goal of this Contest was to give a motive to all Sections to create or improve their own website that will serve as a reference point for all their members. This will help the Sections place their mark on the map and facilitate their future actions and activities.

IEEE Region 8 website statistics

A monitoring tool has been installed on our website (http://ieee.org/r8). Using the Google(TM) Analytics feature here are presented the statistics were obtained over the period from the 23rd of April 2010 to the 16th of September 2010. Over this period, 18,627 people visited the website and 47,246 pages were viewed. On an average visit, a user looks at 2.54 pages, and stays for a little over 2 minutes.

Our visitors come from 141 countries/territories all around the world, many of whom are outside Region 8. The origin of the visitors is depicted in the following map.
