| Senior Member | 3 |
| Student Member | 9 |
| TOTAL | 114 |

Date of above results by using SAMIEEE: 19-Sep-2010

Meetings since last R8 meeting:

3

The most important meeting for the summer period was the summer workshop traditionally held on 19th-20th of August. Most society chapters prepared their portion of the event, which gave insight in members' research, as well as research and education issues in Estonia.

Activities in the near future:

IEEEExtreme programming contest in October
Section Meeting in December
