Events report:  
Major scientific, technical and professional events with Section co-organisation in 2010 was:
19th Electrotechnical and Computer Conference ERK‘2010, September 20.-22. 2010 (www.ieee.si/erk10) where all five chapters were active in organization of technical activities: electronics, telecommunications, automatic control, simulation and modelling, robotics, computer and information science, artificial intelligence, pattern recognition, biomedical engineering, power engineering, measurements, didactics.

**Activities in the near future:**

Section’s efforts in 2010 are devoted to foundation of GOLD. We are planning activities in the field of professional activities, educational activities and industrial relations. Chapters are organising events in their designated fields. Student branch Ljubljana participated at SBC 2010 with four active student members. Section is promoting active collaboration with neighbouring sections.
