Professional Activities

Professional Activities comprise the set of complementary non-technical skills that engineers need to achieve a successful career, from graduation to retirement.

The **Program of Professional Activities in Region 8** aims to provide, through workshops, seminars, and web-based resources, a comprehensive range of opportunities for IEEE members to develop their communication, business, and management skills.

PA Summit

Aim

The Professional Activities Summit aims at bringing together the current trainers and individuals from different sections who are willing to serve as

- ☐ PA trainers in the future
- ☐ Leaders in their sections
- ☐ Workshop organisers for Region8
