Membership

At the end of 2006 the IEEE Croatia Section had in total 598 and on 31 January 615 active members. After the Terminator Action (end of February) our membership dropped to 531. At the end of March our membership increased to 571 members (1 Fellow, 35 Senior Members, 293 Members, 12 Associate Members and 230 Student Members). We have a steady increase of membership in our Section.

Meetings

32 technical, 3 professional, 2 administrative and 1 social meeting have been held since October 2006.

Activities since October 2006

2006 IEEE Croatia Section Annual Awards recipients selected
IEEE Croatia Section Annual Award Banquet held on 1st December 2006
Section Annual Meeting and elections of new officers held on 7th December 2006
A program of Section-level lecture series continued in 2007 with nationwide teleconferencing
Chapter Chair meeting held on 22th March 2007
One new Chapter formed (EM14)
Section Industry Advisory Committee established by IRO
Eleven IEEE Croatia Section co-sponsored conferences and workshops to be organized in 2007
IEEE Week organized by University of Zagreb Student Branch

Activities in the near future

Increasing membership in all regions of the country
Improving industry relations and attracting more members from the industry
Forming new student branches
Participating in organization of international conferences and workshops

Best practices

Production of promotional items for membership development purposes
Membership development at conferences
Section-level professional lecture series for all members and guests

Sven Loncaric
Section Chair
