  - Muhammad Imadur Rahman (Student Branch Chair Aalborg University)
  - Jan Larsen (Webmaster); Erik Stilling (Liason Officer to the Danish Engineers Association)

**Membership:**

The IEEE Denmark Section has in total 653 active members (6 Fellows, 60 Senior Members and 140 Student Members).

**Meetings:**

Since October 2006, 7 technical and 5 administrative meetings have been held including preparatory meetings for organising the IEEE InMic Workshop to be held in Copenhagen in September 2007.

**Collaboration with National Society:**

The Sections collaboration with the National Society of Engineers has developed well by mutual recognition of common interests. The above IEEE InMic Workshop has been organised in association with the National Danish Society of Engineers, IDA, and will benefit by being granted access to IDA's Conference Hall and facilities in Central Copenhagen. .

**Activities in the near future:**

IEEE InMic Workshop 3-5 September, 2007

**Best practices:**

-

**Topics to be discussed in Sofia:**

-
