We are asking you to distribute this Newsletter to all other Section Officers and all our members willing to help in Membership Recruitment, Retention, Recovery and Elevation. To get more members is every member’s business!
If you have a new MD Officer in your Section, please forward the Newsletter to him and send to me his/her e-mail address.

2010 Renewals
The Most Important Task

At the end of January 2010 (look into the table) 61.3% of our 2009 members renewed for 2010. On 14 February 2010 the percentage increased to 66.8%.
On 8 February a personal letter has been sent out on the Regional level to all professional members in our Region who have not renewed.
We are asking the Section Officers to intensify their efforts during the last two weeks of February, to encourage the members in their Sections to renew. Let us reduce the number of arrears (deactivated members) at the end of February 2010.
Use SAMIEEE to get the List of Members in your Section who did not renew for 2010, contact these members and ask them to renew.
For a 50% reduction of the membership dues look at ***Special Circumstances (Minimum Income, Retired or Unemployed Provision).
To get the List of Members in your Section who did not renew for 2010

Results show information only about members in your geographic unit who paid for 2009, but didn't renew for 2010 along with Name, Grade, Membership Status and Email Contact. You can download the table to Excel and sort the data as you like

2010 Renewals of First Year Members
At the end of January 2010 the percentage of first year members renewals is significantly lower (30.5%) than the average (61.3%). We should take special care about the first year members in our sections. Look at the First Year Member Experience for Higher Grade Members leaflet and the MD Manual received in the Membership Development Kit/Package.

January 2010 Statistics

At the end of January 2010 Region 8 had 72,260 members. Comparing to the number of 69,049 members at the end of January 2009 it is an increase of 3,211 members or 4.7%. We are doing well concerning Professionals (3.4%) and GSMs (16.6%). We are slightly down with Undergraduate Student Members (-0.1%)...

Section Officers, look into your Section Membership Statistics every month by using SAMIEEE www.ieee.org/organizations/vols/samieee/
Click Access Geographical Membership Statistics (don’t click Access SAMIEEE!).
Insert you User ID and Password, and Login. Click on Geographic Membership Statistics. You will get the possibility to choose the months, geo code level and geo code description.
R8 Program to Increase the Membership of Small Sections

The R8 MD Subcommittee initiated a program to increase the membership of small Sections. **We want the small Sections to become bigger and stronger organizations with more volunteers and more activity.**

The best way to maintain and enhance programs and services on the Regional and Section level to our members while holding down or reducing the member cost is to increase the number of members.

Let us try to increase the membership of the small Sections gradually. The goal during the 2010 Membership Year should be to achieve 100 professional members (for Sections having less than 100), 150 members (for Sections having more than 100, but less than 150) and 200 members (for Sections having more than 150, but less than 200 professional members). **To successful Sections in increasing their membership a financial incentive will be provided.**

In order to qualify for the incentive, a Section would have to rise its professional (higher-grade, full dues paying) previous membership level for the current calendar year (using the August membership report as the reference base).

Sections which achieve the goal would receive US$10 incentive funding for each Professional/higher grade member recruited in that Section during the period September-August above the previous year’s total higher grade membership up to 100, 150 or 200 members respectively. “Migrating” members (i.e. members who moved from one region/section to another) would not count.

Transfer would be in a lump sum in the amount determined sometime in early Fall (following release of the August membership report and new membership determination).

**Section Incentive Example for a possible case (goal 100 higher-grade members):**

Professional/Higher-Grade, Full Dues Paying Members, August 2009: 70
Professional/Higher-Grade, Full Dues Paying Members, August 2010: 108
Professional/Higher-Grade, Full Dues Paying Migrating Members August 2010: 2

Section qualified for the incentive (108-2=106).

Qualifying for Rebate: 100-70=30
Rebate for the Section: US$ 300.00

Full Dues Paying Members include members using the reduction of dues according to the Special Circumstances.

**Milestones:**

Although the membership of the competing small Sections can easily be checked every month by the sections themselves, a half year and a 9 months evaluation will be presented by the R8 MD SC. The final results will be known in September 2010. The program would be for a period of one year, after which it would be assessed and a determination made whether to continue for another year on a permanent basis.

*** Special Circumstances

IEEE realizes that economic circumstances may impact some members’ ability to pay the full amount of IEEE membership dues. For this reason, the following special circumstance categories have been established. **Special circumstances are not available to Student members.** Only one category may be claimed in any year.
Minimum Income Provision: Applicants who certify that their prior year's income did not exceed US $13,400 or equivalent are granted a 50% reduction in IEEE dues, regional assessment and dues for one IEEE Society and its optional publications. Please submit written certification with application and payment. Student members are NOT eligible.

Retired Provision: A retired member, not gainfully employed and not qualifying for Life Member Status, on attaining the age of 62 years, may apply for a 50% reduction in dues and assessments. An individual who qualifies for the IEEE Retired Member category may continue any and all Society memberships held for not less than the 5 prior years. Optional publication fees equal those established for Student members.

Unemployed Provision: A 50% reduction in membership dues, Society dues, other subscriptions and assessments are available to a member or applicant who informs the IEEE Operations Center Office that he/she: (1) has become involuntarily unemployed and is seeking reemployment, or (2) has become voluntarily unemployed for reasons of raising children. A statement of continued unemployment shall be provided with each annual dues payment. In the case of voluntary unemployment, the provisions of this Bylaw shall not exceed four years. The reduced payments may not be made in installments.

Permanently Disabled Provision: The IEEE membership dues and assessments, if any, shall be waived for those members who become permanently disabled. "Permanent disability" shall mean a medically determinable physical or mental impairment which (i) renders the individual incapable of performing any substantial gainful employment, (ii) can be expected to be of long-continued and indefinite duration or result in death, and (iii) is evidenced by a certification to this effect by a doctor of medicine approved by the Executive Director. The Executive Director shall determine the date on which the permanent disability shall have occurred if such determination is necessary.

Dear Colleagues,

We are publishing this document to inform you on the latest membership developments in IEEE and R8, and to assist and encourage you for MD activities in your Section. If you have success stories in your sections, we are asking you again to send us a short article including a picture to publish it in the Newsletter.

We are asking you to distribute this Newsletter to all Chapter and Affinity Group Chairs, Student Branch Chairs and all other IEEE members in your Section willing to help in Membership Development - Recruitment, Retention, Recovery and Elevation.

If you have a new MD Officer in your Section, please forward the Newsletter to him and send to me his name and e-mail address.

Best wishes,
Aleksandar
