

IEEE Israel Section

2011 activities report

- 1. IEEE Israel Section exists since 1954 and has about 1100 members.**
- 2. The actual Section Chair is Professor Simon Litsyn, of Tel-Aviv University.**
- 3. The Section has 18 active Chapters.**
- 4. In 2011 the Chapters held over 40 meetings, with – in total – about 4000 participants. These included the COMCASS Conference with 1200 participants and a series of “Technical Fridays” with 250 participants each.**
- 5. The Section will hold its 27th biannually Convention in Eilat in November 2012, including a Region 8 Jubilee Session.**
- 6. Officers of the Section are active in IEEE Societies and IEEE Committees.**
- 7. Students participation is low, as they can use Xplore in their campus without belonging to IEEE Student branch.**
- 8. The Section has invited HISTELCON 2014 to be held in Israel.**
