IEEE Region 8 Director's Report

The IEEE Region 8 Committee consists of IEEE Region 8 Section representatives, Operating Committee and Appointed Members. In the IEEE Region 8 Committee, Sections are represented by their Chairs. Section Chairs may appoint an alternate representative to the Region 8 Committee. The most recent list of Region 8 Sections and their representatives to the Region 8 Committee may be found on the Region 8 website (www.ieee.org/r8).

Vision: Region 8 is an effectively organized, dynamic and influential entity, recognized as a leading and esteemed part of a truly transnational IEEE, with IEEE benefits equally available to all members.

Mission: To serve the needs of the members of the Institute, the profession and society at large, by enhancing and supporting the IEEE’s Organizational Units and their activities within Region 8.

Key Steps to realise the Mission:

- Provide a platform for coordination, motivation and interaction among R8 units
- Provide a link between the Region and other IEEE organizational units
- Work to achieve smooth and effective operations in different countries
- Recognizing cultural differences, and effectively cooperating with national societies and other organizations
- Expand IEEE presence and activities to new areas (geographic locations) in R8
- Promote the transnational nature of IEEE within the Region and the Institute

R8 Committee:

- Conducts two annual meetings of the Region leadership
  - Used for coordination of the Region business and for training
- Supports the activities of the local geographical units
- Coordinates meetings for technical and professional purposes throughout the Region
  - Including student events
- Coordinates activities between R8 entities and OUs from outside the Region
- Engages in member development

Region 8 Website

Region 8 website is undergoing a major reconstruction. Part 1 stage has been completed. The website has transferred to a new platform. The current version (still in temporary location) can be found here: www.ieeer8.org.
**Officer’s Term Limits**

During the 25 June 2011 meeting the MGA passed the following motion:

1. All Section officers must be elected. This election can be conducted annually or every two years. An individual may serve two consecutive terms of office.
2. A lifetime term limit shall be established for Section officers. An individual shall not serve in a position for more than 3 terms (i.e. 6 years) provided there is at least a one term break.
3. The MGA Operations Manual to be revised to incorporate text which explains how an individual may be removed from the position and how an individual can be suspended from office.

## An Abbreviated SWOT Analysis

<table>
<thead>
<tr>
<th>GOOD</th>
<th>BAD</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Strengths</strong></td>
<td><strong>Weaknesses</strong></td>
</tr>
<tr>
<td>☐ Strong and dedicated volunteer corps</td>
<td>☐ The size of the Region is incongruous with the resources available for its administration</td>
</tr>
<tr>
<td>☐ Volunteer leadership development and succession planning</td>
<td>☐ IEEE market share in key areas is low</td>
</tr>
<tr>
<td>☐ A large number of active and vibrant organizational units</td>
<td>☐ There are significant areas within the Region where IEEE visibility is very low</td>
</tr>
<tr>
<td>☐ Diversity of Members and Sections</td>
<td>☐ The disparity between different Sections in the Region does not support some “one size fits all” practices of IEEE</td>
</tr>
<tr>
<td>☐ Tradition of exchange of ideas and best practices</td>
<td>☐ The operations of the Region are not optimized to take advantage of available cooperation and funding opportunities</td>
</tr>
<tr>
<td>☐ Established infrastructure for Region’s activities, including conducting conferences, workshops, and student activities</td>
<td></td>

<tr>
<td>☐ Cooperation with local associations, governmental/intergovernmental organizations, and educational institutions</td>
<td>☐ Loss of members to aggressive recruiting by other local and global associations</td>
</tr>
<tr>
<td>☐ Cooperation with EU institutions, especially in the areas of Standards, Education and Accreditation</td>
<td>☐ Expanded activities of commercial publishers and conference providers in IEEE Fields of Interest in the Region</td>
</tr>
<tr>
<td>☐ Member recruiting drives</td>
<td>☐ Perception of IEEE as &quot;US-centric&quot;</td>
