- 5th joined IFIP Wireless and Mobile Networking Conference, WMNC 2012, Networking Conference, 19-21-st September 2012, Bratislava, Slovakia

2. Future activities**Technical sponsorship of conferences:**

- DDECS 2013, The IEEE Symposium on Design and Diagnostics of Electronic Circuits and Systems, , April 8, 10 2013, Karlovy Vary, Czech Republic
- International Carpathian Control Conference (ICCC), Máj 26-29, 2013, Rytro, Poland
- The 23rd International Conference Radioelektronika 2013, April 17, 18, 2013, Brno, Czech Republic

Milestone celebration:

- 20-th anniversary of the Section celebration, 7-th December, 2012, Brno, Czech Republic

3. Best practices

- To give IEEE student membership as an award to students with best papers in student conferences.
- To apply criteria which are published on www of section to conferences, which apply for technical sponsorship

4. Points of concern / Topics for future discussion

- Some conference organizers from our territory apply to neighborhoods Section for technical sponsorship because they probably are not able to fulfill our criteria which Czechoslovakia Section defined in order to ensure appropriate quality of the conferences.
- Some chapters have not adequate number of activities

5. Miscellaneous

- During celebration of the 20-th anniversary of the Section celebration, 7-th December, 2012, Brno, Czech Republic active volunteers will be awarded by Section.
