

## **IEEE France Section Report**

### **1. Highlights from the past**

#### Chapters

The 26 Chapters and 3 Affinity groups have organized in total 106 meetings, but there are important differences between the chapters, a few of them which are not active will be reformed.

#### Conferences

In 2012 25 conferences with technical-cosponsorship and 11 in collaboration have been organized

#### Awards

In 2012 the section France have 11 new fellows. A special ceremony will be organized to give them a special trophée.

Michel Carpentier received the Region 8 Volunteer Award and Lucian Prejbeanu received the SEE-IEEE Léon-Nicolas Brillouin Award during a ceremony in the presence of Martin Bastian Director of the Region 8

### **2. Future activities**

#### Webmaster

The web site of the IEEE France section will be updated with in addition an English version
