

IEEE Region 8 Member Activities

April 2013

**R8 Member Activities Vice Chair
Aleksandar Szabo**

Member Activities (MA) Coordinators/Subcommittees

- Graduates of the Last Decade (GOLD)
- Membership Development (MD)
- Life Members (LM)
- History Activities
- Women in Engineering (WIE)
- Professional Activities (PA)
- Electronic Communications
- Region 8 News
- Jubilee Book
- Sections Congress

Activity and Cooperation

- The activity and cooperation of all coordinators and subcommittees is extremely important for member activities in the Region and their organizational units
- The success of the Regional MA volunteers strongly depends on the activity of Sections and its officers
- The Section Officers belong to the Regional MA teams cooperating and working together

In R8 Member Activities we

- Make members aware of IEEE activities and benefits
- Improve the value of IEEE membership by additional/new services and benefits
- Develop and help in non-technical activities (professional activities)
- Increase membership by recruitment, retention and recovery
- Develop local membership programs in cooperation with Sections
- Promote and support member grade elevation
- Assure IEEE membership promotion at IEEE conferences, workshops and meetings
- Cooperate with and support MA officers in Sections and provide training for them
- Help in formation, organization and development of organizational units
- Help to improve Section operation and vitality. Help in rejuvenation of organizational units
- Encourage communication and cooperation between organizational units
- Recognize volunteers. Look for motivated new volunteers
- Increase the Activity of GOLD
- Help WIE activity
- Increase LM engagement and LM Group formation. Encourage History activities
- Work on new ideas and new initiatives

R8 Membership from Month to Month
