

Future Activities

- Calendar for reported future activities is empty
 - Please contact us to assist in your sectional PA activities
- Stimulate sections to appoint/update PA officers
- Organize annual PA Summit
- Update PA Handbook
- Update PA trainers/presenters database
- Increase cooperation with other institutions (inside and outside of IEEE e.g. JCI)
- Collect and promote best tools and practices for online collaboration

Best Practices

- ▶ Early contact with PA team for any activities
- ▶ Reporting on PA activities from a sectional perspective
- ▶ SAC/GOLD Cooperation
- ▶ Appointing sectional PA volunteers

Points of concern

- ▶ Many sections do not have PA officer listed
 - (29 out of 56)
 - most valuable asset to organize activities effectively
- ▶ Calendar for reported future activities is empty
 - Please contact us to assist in your sectional PA activities

Expanding Services

- ▶ Expanding service of Professional Activities beyond workshops/trainings
 - will need careful discussion with all stakeholders: sections, EAB, IEEE-EU, etc.
 - Funding these new services to the members should be self-sufficient within R8
- ▶ IEEE USA as example; Adapted to R8
 - Legislation differences within R8
 - Financial/economic differences
 - Age profile of employed engineer differs
 - Mix engineers and engineering employees differs
