

IEEE Algeria Subsection Report October 2013**Messaouda Azzouzi****Highlights from the past**

- Noteworthy events organized by your Subsection or its Organizational Units
 - the 3d International Conference on Systems and Control (ICSC13), October 29-31, 2013, Algiers, Algeria
<http://lias.labo.univ-poitiers.fr/icsc/icsc2013/>
- Regional and global events hosted by your Subsection
 - The International Conference on Electronics & Oil: From Theory to Applications (ICEO'13). March 05-06, 2013, Ouargla, Algeria
<http://manifest.univ-ouargla.dz/documents/FScienTechniques/GeniElec/iceo2013.pdf>
 - Secondes Journées d'étude «Haute Tension, Electrostatique & Compatibilité Electromagnétique», 14-15 Avril 2013, Université Djillali Liabes
http://www.ieee-dz.org/docs/Annonce_HTECE-2.pdf
 - The 11th International Symposium on **Programming and Systems (ISPS'2013)** 22 – 24 April, 2013, USTHB, Algiers, Algeria
<http://www.isps.usthb.dz/Template/pdf/callforpapers.pdf>
 - The first Workshop on Networks Insulators on 29 April 2013, POLIREL 2013, USTO-MB, Oran, Algeria
http://www.ieee-dz.org/docs/CALL_OF_PAPER_POLIREL_2013.pdf

Future activities

- Regional and global events hosted by your Subsection
 - The 1st International Conference on Electrical Energy and Systems ICEES'13, October 22-24, 2013, Annaba, Algeria
<https://sites.google.com/site/icees13/>
 - The 1st International Conference on Information and Communication Technologies for Disaster Management (ICT-DM'2014), Algiers, Algeria
<http://www.ict-dm.org/>

Best practices

- Organizing meetings during the sponsored local conferences
- Spreading the message of the IEEE to all the Algerian researchers and academics
- Developing and managing an industrial relationships with industrial enterprises
- Increasing the number of adherents

Points of concern / Topics for future discussion

- Formation of IEEE Algeria Section
- Recruitment of the created chapter officers
- Sponsoring of other activities

Miscellaneous

- Learned Society approbation
To sustains the IEEE Algeria subsection at national level, a project of learned society was been launched. This society is called IEEE Algeria and its internal bylaws will be established based on the Algerian laws of association creation. The IEEE Algeria is awaiting approval of the internal ministry.
- New Chapters
 - The IEEE Nuclear and Plasma Sciences / Dielectrics and Electrical Insulation joint chapter, chaired by Prof. Abdelouahab MEKHALDI
 - The IEEE Magnetics & Electromagnetic Compatibility joint chapter, chaired by Prof. Abdelber BENDAOU
