IEEE Sections Congress 2014

IEEE Sections Congress is a triennial gathering of the IEEE Section volunteer leadership, sponsored by the Member and Geographic Activities Board. It is an opportunity for IEEE's worldwide volunteer leadership to participate in an exceptional event. Sections Congress focuses on meeting the expectations of Section leaders by providing them with an opportunity to network, receive training and provide input into IEEE programs and projects.

Impact to IEEE Members

IEEE Sections Congress 2014 (SC2014) will be held 22 – 24 August 2014 at the RAI Convention Centre, Amsterdam, Netherlands. It is an opportunity for organizations to promote their activities to as many as 1,200 attendees. The Congress will be attended by technical and young professionals around the world.

This event draws IEEE members who are engineers, scientists and allied professionals whose technical interests are rooted in electrical and computer sciences, engineering and related disciplines. These individuals are the leaders of their local IEEE organizational units. They are the collective geographic representatives for more than 400,000 IEEE members in over 160 countries.

Sponsorship Opportunities at IEEE Sections Congress

Sponsors receive significant recognition before, during and after SC2014, making a lasting impression on all attendees. Sponsorships for the IEEE Sections Congress are being managed by the IEEE Foundation. See the Sponsorship Levels and Commitment Form for more information.

IEEE Foundation

As the philanthropic arm of the IEEE, the IEEE Foundation is a leader in transforming lives through the power of technology and education. The IEEE Foundation enables IEEE programs that enhance technology access, literacy, and education; supports the IEEE professional community; and inspires the generosity of donors.

The IEEE Foundation is an organization qualified under U.S. Internal Revenue Code 501(c)(3). Charitable contributions to the IEEE Foundation are tax deductible to the fullest extent allowed by law in the United States. For other countries, please check with your local tax advisors.

IEEE Honors Ceremony Gala, Saturday, 23 August 2014

The IEEE Honors Ceremony Gala, a prestigious event during Sections Congress, is a recognition and celebration of global technical and professional leaders who have made, and continue to make, outstanding breakthroughs and major advances in IEEE's technical fields.
