Steps to Success - how to win awards for the IEEE activities?

Piotr Graca
RS SAC Awards & Contests Coordinator
piotr.graca@ieee.org

Bond, Team Bond...

- ▶ Let's work together as a student branch!
- ▶ Make an annual plan with activities meetings etc.
- ▶ Designate Tasks
- ▶ Present it to the rest and discuss the outcomes.

كلية الهندسة
College of Engineering
BAGHDAD UNIVERSITY

Vision

The College of Engineering will be recognized in the region for its outstanding education, research and community engagement, and for the quality of its socially responsible graduates.

Mission

The mission of the College of Engineering is to prepare globally competent and socially responsible graduates by providing high quality education. The college through its quality programs and partnerships fosters research and scholarly endeavors that advance knowledge and contributes to the welfare of the country.
