# Region 8

why are we so special?

- ❖ Geographic and Technical diversity (an advantage, NOT a disadvantage)
- ❖ Strong, successful leadership over the years – because they know the Region
- ❖ Strong, productive Committee
- ❖ Strong & prominent support to Students and YPs, promoting student abilities

# Region 8

what am I interested in?

- ❖ Passionate about my research – foster closer links between Technical Societies and Sections/ Region → more Chapter events/ Section-to-Section interaction
- ❖ I love working with Young Professionals – c.f. International Student Conferences EMBS
- ❖ Diversify our Professional Activities portfolio

**Thanks!**
