Interactive Session Feedback Form

IEEE Region 8 needs your thoughts and your feedback! During the interactive session you will have the chance to interact with five organizational units. There will be short presentations, handouts and other starters that the organizers have prepared for you. However the focus will be on interacting with you! Please use this form to summarize your feedback. If you provide your name and email the session organizers will be able to come back to you. Please also write in the Session names, so that we can distribute the information properly. The feedback forms can be handed in to the session hosts after the last session or during the meeting on Sunday. The interactive session organizers will need your feedback to help us all accomplish the mission of IEEE and Region 8. Thank you for your help!
