

# My Background

- ▶ IEEE member since 1978
  - Inspired by “Advancing Technology for Humanity”
  - Studied Engineering Science (electronic, mechanical, civil, chemical, electrical...)
- ▶ Recent IEEE participation
  - President IEEE Standards Association, Internet Initiative, Open Access, Board of Directors, Strategic Planning Committee, Public Visibility, Global Public Policy
- ▶ Senior Director at Synopsys in Silicon Valley USA

# Interest in Becoming IEEE President

- ▶ Serve as a proud member of IEEE
- ▶ Give back to my profession that has brought me many opportunities and rewards
- ▶ Raise the visibility of engineers, scientists, technologists, and educators all over the world
- ▶ Realize even more of IEEE's potential: Internet Initiative, Global Public Policy, Global Standards

# Qualities I Bring to IEEE

- ▶ Multi-dimensional candidate
- ▶ Enthusiastic spokesperson
- ▶ Industry perspective
- ▶ Customer focus
- ▶ Consensus building

danke شكرًا дзякуй dankjewel hvala благодаря σας ευχαριστώ  
teşekkür ederim děkuji tak aitäh kiitos thank you köszönöm  
pakka þér متشكراً תודה grazie asante paldies ačiū nirringrazzjak  
takk dziękuję obrigada ви благодарам mulțumesc спасибо хвала  
kea leboha ngiyabonga gracias tack merci kea leboga hatur nuhun
