

Position Statement and Presentation: Region 8 Director- Elect

Elya B. Joffe

**R8 Committee Meeting
Ljubljana, Slovenia
October 10-11, 2015**

Who am I?

■ Professional

- President and Principal EMC Specialist of "Elya Joffe Electromagnetic Solutions, Ltd."
- Industry experience: >30 years in EMC/E³ engineering
- Globally respected EMC continued education instructor

■ Certifications

- Registered Professional Engineer;
- Internationally Recognized Certified EMC Master Design Engineer and ESD Control Engineer

■ Publications

- Book "Grounds for Grounding" 2009. (Wiley/IEEE Press)
- > 30 papers in IEEE publications and conferences

■ Other

- Chair, Board of Directors: *Exemplar Global*
- Member of IEEE Eta-Kappa-Nu (HKN) and "dB Society"

Why Am I Running?

- **I can and am willing to make a difference!**
- **I am Experienced in...**
 - Technical Activities
 - Educational Activities
 - Regional Activities
- **I believe the successful future of R8 lies in the integration of the three**
- **I will listen, cooperate and lead the Region**
- **I can and willing to dedicate my time, energy, experience and resources to R8**

Relevant IEEE Activities

- **Region 8 Chapter Strategic Planning Committee Member, 2015**
- **Region 8 Chapter Coordination Subcommittee Chair, 2013-2014**
- **IEEE Education Activities Board Member, 2011-2012**
- **Technical Activities Board (TAB), Member, 2008-09 & 2012-2013**
- **IEEE Ethics and Member Conduct Committee, 2011**
- **TAB Representative to (then) Graduates of Last Decade (GOLD) Committee, 2010**
- **Member & Geographic Activities (MGA) Geographic Unit Operations Support Committee, TAB Rep. 2009**
- **Experienced in most IEEE activities relevant to R8 Strategies**

IEEE Technical Societies' Activities

- **Product Safety Engineering Society (PSES)**
 - **President**, 2012-13
 - **Immediate Past President**, 2014-2015
- **Electromagnetic Compatibility Society (EMC)**
 - **President**, 2008-09
 - **Past President**, 2010-On
- **Education Society (ED Soc)**
 - **Chair, Ethics Education** Committee, 2012
- **Consumer Electronics Society (CE Soc)**
 - **Member and Distinguished Lecturer**, 2013-2014
- **Society for Social Implications of Technology (SSIT)**
 - **Member**, 2011-On
- **Technology and Engineering Management Society (TEMS)**
 - **Member of the BoG**, 2015-On

Region 8 Challenges

- **Region 8 is Unique within IEEE!**
 - Wide Geographic Area
 - Diversity
 - Culture, religion, and Language
 - Politics and Economy
- **But... Region 8 is dynamic, nimble, industry and academia oriented**
- **And..., in spite of diversity, Region 8 is open-minded... collegial, goes beyond borders, putting the member at the center**

Strategy for Region 8 Director

- **To build on its strengths**
 - Reputation, consistent quality, professional base at the frontiers of every relevant technology, large membership base, volunteers, . . .
- **Responsiveness to members' professional and educational needs and expectations**
- **Professional networking opportunities**
- **Foresight, insight anticipation and proactively initiating changes**
- **To transform challenges into opportunities**
- **To do of the above as a TEAM!**

Strategy for Region 8 Director

- **Increase IEEE's visibility across the Region**
 - Particularly for enhancing the study of engineering;
- **Enhance partnership between academia, government, industry and IEEE in R8**
- **Tighten collaboration of regional, technical and Educational activities across IEEE**
 - Especially through the broad talents of professionals in Region 8
- **Facilitate a collaborative atmosphere between IEEE Sections within Region 8**
 - Respecting cultural, economic and social diversity and recognizing professional networking needs;

My Commitment and Qualifications

■ "Benefit from Diversity"

- **Diversity is an advantage**, and I will focus on **encouraging members to work together** across geographic, ethnic and religious boundaries

■ Team Leadership

- Proven, well documented record as **leader** (President) of several **societies & committees**

■ Strategic Perspective and Initiative

- Proven record in **strategic thinking and planning**, essential for **any leadership** position

■ Technical Diversity

- **Broad background** in Technical, Standards, Conferences, Membership, Chapters and Education

■ Diligent and Hard Worker

- **"Failure is not an option"**

Summary

- **The pillars for discovery of new frontiers and improvement of quality of life are related to:**
 - **Interdisciplinary** capability
 - **Collaboration within a diversity** of membership
 - Awareness that **technology** should be addressed for the **benefit of mankind**
- **Region 8 can “Benefit from its Diversity”**
 - We have the power to work together, making a positive difference
 - **Engage the members and they will serve**
- **I am honored to be considered for Region 8 Director Elect, and...**
- **I would be honored to bring my optimistic and innovation-keen approach to serve ALL R8 sections and Members**

Postscript: My Working Principles...

- ▣ **Collegiality**

- ▣ **Inclusion**

- ▣ **Respect**

- ▣ **Competitive**

- ▣ **Critical**

- ▣ **Effective**
