

Action for Industry

Afl

Interactive Session

- Many thanks to those who contributed positively to our session.
- The first session was noisy. When we moved to a quieter location the contributions were many and positive.
- We will work with those who confirmed their Section will work positively on this important IEEE Region 8 initiative – to serve the industry members.

Section Industry Ambassador

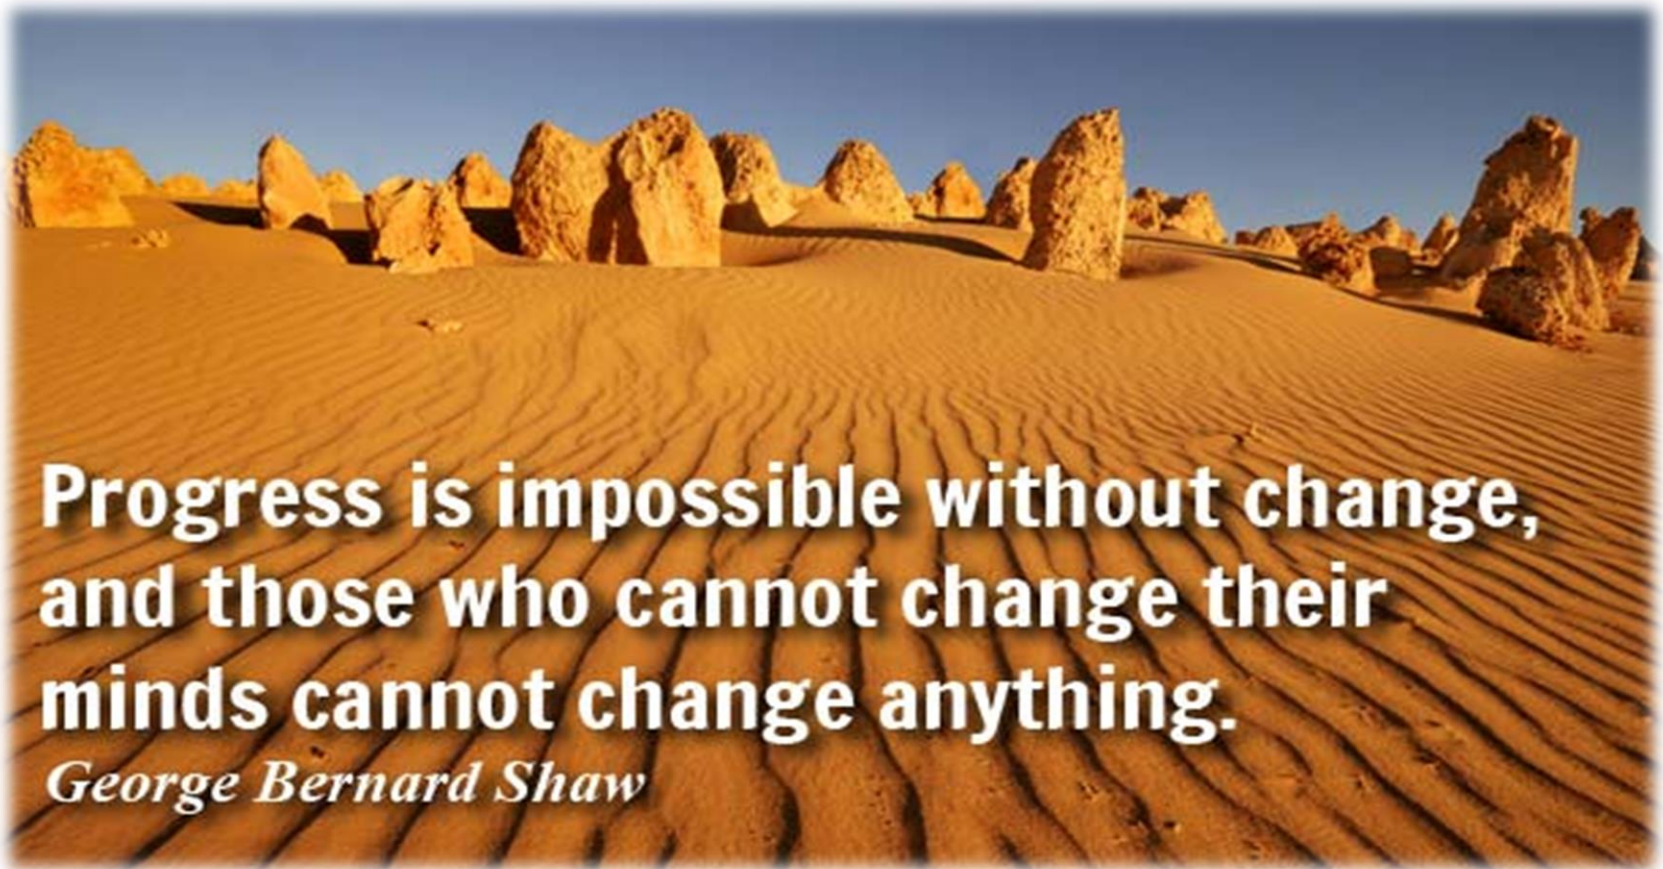

- Section IA (industry member) - to be **more proactive** than IRO.
- SIAs work internally to establish connections with their **industry members** and with both large and small **companies** in the country
- Works **externally** to co-ordinate with the **Region8 IAs** in implementing the Action programme

Interactive Sessions

- **Our next steps will be reach out to those specific helpful Section Industry Ambassadors to implement: Mentors, Interns and Access to CPD or other service sought by the responding companies**

Thanks for your support of this IEEE R8 initiative 😊

**Progress is impossible without change,
and those who cannot change their
minds cannot change anything.**
