

IEEE R8 Committee Meeting
11 October 2015, Ljubljana, Slovenia

Awards and Recognitions

- ▶ IEEE Region 8 Awards and Recognition Subcommittee administers the awards and recognitions presented by IEEE Region 8. The subcommittee works closely with Students, Young Professionals, WIE and Chapter Coordination groups.
- ▶ Through its awards program, Region 8 advances the interests of its volunteers and members by recognizing their contributions in supporting and advancing the mission and vision of Region 8 as well as advancing the fields of interest of IEEE to the benefit of society.
- ▶ By this means, the image and prestige of the organization, its members, and the profession are all enhanced.

- ▶ Marko Delimar (Croatia), Chair
- ▶ Martin Bastiaans (Benelux), ex-officio
- ▶ Ahmed Darwish (Egypt)
- ▶ Jorge Soares (Portugal/Switzerland)
- ▶ Panayiotis Symeou (Cyprus)
- ▶ Charles Turner (UK and Ireland), Past Chair

- Nominations for Region 8 awards are currently handled in an inconsistent way, with the nomination process being award-specific and done through a mix of offline and online forms submitted to different endpoints.
- In order to streamline the process, we are working with MGA staff to unite all awards under the FluidReview platform already in use at the global level.
- This will provide a single point of information and a standard interface, making it easier for members to submit nominations.
