

## **Russia (North West) Section**

**Sergey Shaposhnikov**

### **Getting Closer to Industry**

A Conference on University - Industry Strategic Partnership was organized in December, 2015

### **Students and Young Professionals**

The 3rd Conference of Young Researchers in Electrical and Electronic Engineering will take place on February 2 - 3, 2016, in St.Petersburg, the number of presented reports is 230. Participants are from Russian universities and companies, and from 8 other countries.

### **Section Vitality**

- A MoU on joint activities of the Russia NW Section and the Association for Engineering Education of Russia has been developed and is in the process of approval by the parties.
- Active campaign on attracting new IEEE members was launched last year. As a result, the Section was recognized for member recruitment during the 2015 membership year.
