Improving the IEEE Region 8 award nomination process

In January 2016, IEEE Region 8 launched a new submission portal for awards administered by IEEE Region 8. This was a joint action coordinated by the IEEE Region 8 Awards and Recognition Subcommittee with the support from MGA staff, IEEE Region 8 Young Professionals Subcommittee, IEEE Region 8 Chapter Coordination Subcommittee, and IEEE Region 8 Women in Engineering team. The portal provides a single point of information and a standard interface, making the submission process and the administration of the awards simpler and more transparent.

The following IEEE Region 8 awards (see <http://www.ieeer8.org/awards>) had the 15 February 2016 submission deadline:

- The [Region 8 Volunteer Award](#), administered by the Region 8 Awards and Recognition Subcommittee: a significant number of good nominations were received, and the Awards and Recognition Subcommittee selected a recipient, to be announced at the meeting.
- The [Region 8 Outstanding Section Awards](#) (categories: Small and Large), administered by the Region 8 Awards and Recognition Subcommittee: a significant number of good nominations were received, and the Awards and Recognition Subcommittee selected one recipient per category to be announced at the meeting.
- The [Region 8 Chapter of the Year Awards](#) (categories: Small/Middle and Large), administered by the Region 8 Chapter Coordination Subcommittee and supported by the Region 8 Awards and Recognition Subcommittee: a significant number of good nominations were received, and the Chapter Coordination Subcommittee selected a recipient, to be announced at the meeting.
- The [Region 8 Student Branch Chapter of the Year Awards](#), administered by the Region 8 Chapter Coordination Subcommittee and supported by the Region 8 Awards and Recognition Subcommittee: a significant number of good nominations were received, and the Chapter Coordination Subcommittee selected a recipient, to be announced at the meeting.
- The [Clementina Saduwa Award](#), administered by the Region 8 Women in Engineering Coordinator and supported by the Region 8 Awards and Recognition Subcommittee: a significant number of good nominations were received, and the selected recipient is expected to be announced at the meeting.
- The [Region 8 Young Professionals Exceptional Volunteer Award](#), administered by the Region 8 Young Professionals Subcommittee and supported by the Region 8 Awards and Recognition Subcommittee: a significant number of good nominations were received, and the selected recipient is expected to be announced at the meeting.
- The [Region 8 Outstanding Young Professionals Affinity Group Award](#), administered by the Region 8 Young Professionals Subcommittee and supported by the Region 8 Awards and Recognition Subcommittee: a significant number of good nominations were received, and the selected recipient is expected to be announced at the meeting.
