

# IEEE TAB Mission

***Inspire, Foster and Empower  
Technology-Centric  
Worldwide Communities***

(approved June 2013)

# The Goal...

Be essential  
to the global technical community  
and to technical professionals everywhere,  
and be universally recognized  
for the contributions of technology  
and of technical professionals  
in improving global conditions

# TAB Priorities

## ► **Nurturing technical communities worldwide with local roots**

- technical activities worldwide and locally  
technical committees, conferences, technical meetings, publications, educational activities, standards, technical services
- future technology directions  
emerging technologies, emerging needs for technology and applications, emerging needs for standards
- continuing education and technical career resources  
especially for young professionals, professional engineers, and industry
- globalized inclusive perspective  
especially for young professionals, women, interdisciplinary topics, emerging geographical areas
- communications  
promote interaction among Societies/Councils, other IEEE Major Boards and OUs, sister associations, underserved segments of communities, general public
- humanitarian projects and public imperative
- public visibility and global offices

# TAB Priorities

## ► **Promote cooperation in IEEE**

- cooperation within TAB
- cooperation among Major Boards
- cooperation with other OUs
- transfer IEEE Board of Directors strategies into
  - TA strategies and operations
  - Society/Council projects
- be more effective in contributing to shape IEEE strategies

# TAB-MGA Cooperation

- Energize joint cooperation in Chapters
  - Technical meetings, educational activities, ...
- Nurture underserved segments of the technical communities
  - Young professionals, Women,  
Professional engineers in industry, Entrepreneurs
- Identify local emerging needs for technologies and applications
