### Improving the Region 8 award nomination process

In January 2016, IEEE Region 8 launched a new submission portal for awards administered by IEEE Region 8. This was a joint action coordinated by the IEEE Region 8 Awards and Recognition Subcommittee with the support from MGA staff, IEEE Region 8 Young Professionals Subcommittee, IEEE Region 8 Chapter Coordination Subcommittee, and IEEE Region 8 Women in Engineering team. The portal provides a single point of information and a standard interface, making the submission process and the administration of the awards simpler and more transparent.
