

Team

Sohaib Sheikh (UK & I)
Chair

Stamatis Dragoumanos (Greece)
Member, Pre-University Education

Ana Madureira (Portugal)
Member, University Education

Endika Bengoetxea (Hungary)
Corresponding Member, Continuing Education

Riadh Besbes (Tunisia)
Corresponding Member, Pre-University Education

Alexander Astaras (Greece)
Corresponding Member, University Education

Recent Successes – TISP Week 2016

- ▶ Teacher In-Service Program (TISP) Week 2016
 - Participation from **15** Sections
 - **760** teachers trained
- ▶ Special thanks to the participating Sections

- Bosnia and Herzegovina
- Croatia
- Cyprus
- Egypt
- Greece
- Jordan
- Kenya
- Malta
- Nigeria
- Palestine
- Spain
- Tunisia
- Uganda
- United Arab Emirates
- United Kingdom and Ireland

The poster for IEEE Region 8 TISP Week 2016 features a stylized graphic of a person with arms raised, holding a graduation cap, with the letters 'ISP' below it. The title 'IEEE Region 8 TISP Week 2016' is written in a large, bold font, with the dates '8-16 October, 2016' below it. The main text reads: 'Get ready for the IEEE Teacher In-Service Program (TISP) Week 2016! Workshops in 15+ countries across Europe, Middle East, and Africa. 500+ teachers and volunteers to be trained. Join us and be part of this amazing event!'. Below this text are four small photographs showing teachers and students in various workshop settings. At the bottom, the text 'To learn more: tisp.ieeeer8.org' is displayed. The IEEE logo is in the bottom right corner, and a list of participating countries is written in a small font along the bottom edge of the poster.

ISP

IEEE Region 8 TISP Week 2016
8-16 October, 2016

Get ready for the IEEE Teacher In-Service Program (TISP) Week 2016!

Workshops in 15+ countries across Europe, Middle East, and Africa

500+ teachers and volunteers to be trained

Join us and be part of this amazing event!

Advancing Technology for Humanity

Recent Successes – R8 Students and YP Congress 2016

- ▶ Workshops conducted on
 - Teacher In-Service Program
 - Engineering Projects In Community Service (EPICS)-in-IEEE
 - IEEE Academic
- ▶ Sponsorship
 - Direct sponsorship from global EPICS-in-IEEE committee for the Congress

Teacher In-Service Program (TISP)

A “Train the Trainer” program that trains IEEE volunteers to work with pre-university teachers

EPICS in IEEE

A program that organizes university and high-school students to work on engineering-related projects with local area community organizations

IEEE Academic

A student-driven and locally-based online educational resource to aid students in their academic learning and to help them achieve academic success

Selected 2017 Planned Activities

- ▶ Section EA Chair online meeting
 - June 2017 (tentatively)
 - To share best practices and understand the concerns of the Sections

- ▶ TISP Week 2017
 - Follow-on from the success of TISP Week 2016
 - Plans to include more Sections. Please join us!

- ▶ Region 8 Early Career Faculty Development workshop
 - Online workshop open to all IEEE members in Region 8
 - Will provide early career faculty with tools to enhance their **professional development** and manage their **career path**
 - September 2017 (tentatively)

Selected 2017 Planned Activities

› Morocco Accreditation Workshop (tentative)

- In collaboration with Educational Activities Board and Morocco Section
- Date to be confirmed

› Webinars

- Guidance for R8 Mentors (in collaboration with Action for Industry team)
- EPICS-in-IEEE funding proposal writing
- Soft skills relevant for future engineering jobs

› Competition and Funding

- Competition to support innovative Section education programs
- \$1500 funding divided among a number of programs
- To be announced soon

Thank you!
