Hyatt Regency Sydney

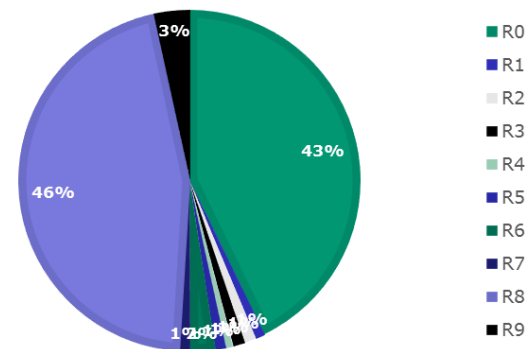

R8 Organized Conferences

R8 continuous to be the leader in organizing conferences (both technical and financial)

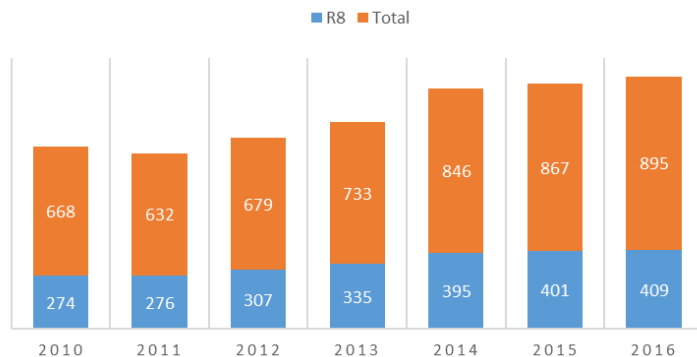

TCS 2015

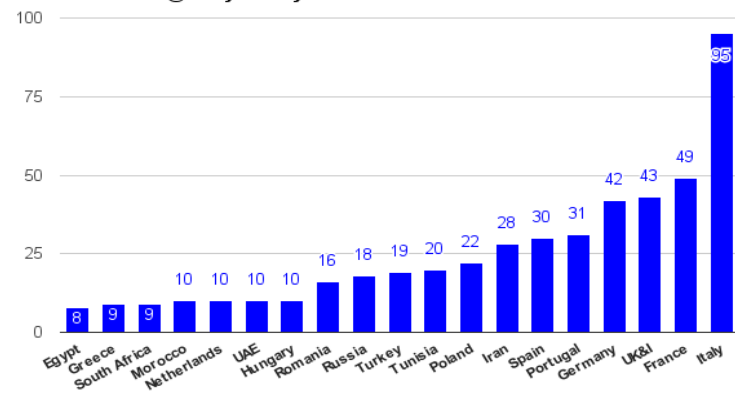

TCS 2016

#R8 CONFERENCES

Conferences @ R8 by Country

Technical Co-Sponsorships

Clear and transparent requirements for IEEE R8 TCS approval focusing on:

- Plagiarism check!!!! crosscheck.ieee.org
- R8 Section, IEEE Society or IEEE Local Chapter involved in conference program,
- Technical program co-chair should be a known IEEE society member,
- Minimum 2 (current or previous) R8 committee members involved in review process,
- Discount for IEEE members,

... continued

Technical Co-Sponsorships cont.

- The dates should not conflict with other IEEE Region 8 conferences in related field
- The quality report and the conference proceedings should be submitted
- Offer free registration fees for at least 2 IEEE students, help in the local arrangement
- An IEEE booth should be organized
- The IEEE Region 8 may cancel the approved MOU at any time if the technical quality issues are not considered.
- The IEEE R8 is committed to approve or decline the TCS request within 1 month

Flagship Conferences

- Three geographic conferences: EUROCON, MELECON, AFRICON
