

IEEE International Energy Conference

ENERGYCON 2018

**Towards Self-healing, Resilient and Green Electric Power
and Energy Systems**

June 3-7, 2018, Limassol, Cyprus

**IEEE
Cyprus Section**

**IEEE PES Cyprus
Chapter**

Aim and Scope

- **ENERGYCON 2018 is the 5th IEEE International Energy Conference and will be held between 3-7 June 2018. It is organized by the IEEE Cyprus Section, the IEEE PES Cyprus Chapter, and the KIOS Research and Innovation Center of Excellence of the University of Cyprus .**
- **ENERGYCON covers a broad range of electric power and energy system topics and is open to contributions that are related to the theme “Towards Self-healing, Resilient and Green Electric Power and Energy Systems”.**
- **ENERGYCON aims to attract scientists, professional engineers and engineering students from all over the world and give them the opportunity to present and publish their work, discuss, exchange ideas and knowledge as well as network for future collaborations.**
- **Accepted and presented papers will be published in the conference proceedings and appear in the IEEE Xplore Digital Library.**

Topics

ENERGYCON 2018 | Cyprus

- Modern Transmission Systems
- Active Distribution Networks
- Energy Storage and Renewable Energy Systems
- Electrification of Transportation Systems
- Hydrocarbons and Their Environmental impact
- Information and Communication Technologies in Power Systems
- Energy Conversion
- Cyber and Physical Security

Dates

ENERGYCON 2018 | Cyprus

First call for papers: April 2017

Full paper submission: 15 October 2017

Deadline for workshops/tutorial proposals: 1 October 2017

Notification of Acceptance: 15 February 2018

Camera-Ready Papers: 1 April 2018

Registration starts: 15 February 2018

Conference dates: 3-7 June 2018

Limassol

ENERGYCON 2018 | Cyprus

- Situated on the southern coast of Cyprus
- Spreads out between two ancient cities, *Amathus* (1100 BC) and *Kourion* (4500 BC), two of the most spectacular archeological sites in the country
- Limassol is the second most populous city in the country
- Largest port in the country, one of the busiest ports in the Mediterranean transit trade
- One of the most important tourism, trade, and service-providing centers in the area

Limassol – the wine capital of Cyprus

ENERGYCON 2018 | Cyprus

- A wide spectrum of activities and a number of museums and archeological sites are available
- Center of wine industry
- City of Carnival and fun
- Vibrant old town and market
- Bustling nightlife
- 15 km coastline with top-quality beach hotels and promenade

ENERGYCON 2018 in Cyprus!

ENERGYCON 2018 | Cyprus

**We look forward to welcoming
you to Cyprus !**
