melecon18@ieee.ma

IEEE R8, Morocco Section

Topics

- **Track 1: Smart and Green Systems and Networks**
 - Information and Communication Technologies
 - Smart, Green and Integrated Transport
 - Micro and Nano Electronic Systems
 - Electric Power Systems and Renewable Energy Sources
- **Track 2: Services and Emerging Applications**
 - Emerging Environmental Applications
 - Virtual Environments, 3D Simulations and Serious Games
 - Autonomous Driving and Positioning
 - Verticals and Industry 4.0
- **Track 3: Enablers and Challenges**
 - Security and Networking
 - Internet of Things
 - Cloud-based Systems
 - Big Data Analytics

Important Dates

- Paper Submission: October 29, 2017
- Acceptance Notification: December 3, 2017
- Camera Ready Paper: December 24, 2017
- Early Registration: January 19, 2018
- Pre-Final Program: January 28, 2018
- Late Registration: From February 23, 2018

Social Event

- After the first day, devoted to welcoming and registering the participants, we are planning an organized visit to the world largest **Solar Power plant Noor, located in Ouarzazate** (about 200 km from Marrakech), and maybe spend a night in the desert.
- We are also still looking for a couple **keynote speakers**; please get in touch if you want to join us.
- Looking forward to seeing you in Marrakech!
