

Ghana Section

Eric Kuada

What activities/programs/initiatives work well in your Section to foster Industry Relations? What changes would be required by IEEE/the Region/your Section to improve Industry Relations? What were major successes since the last meeting in terms of Industry Relations? How are you going to continue to foster Industry Relations?

The Ghana Section is about finalizing an MoU with the Institution of Engineering and Technologist Ghana (IETG) as part of efforts to get members with engineering certificates to be registered and recognized by the Engineering Council of Ghana.

What activities/programs/initiatives work well in your Section to Attract and Support Future Members, e.g., Students and Young Professionals? What changes would be required by IEEE/the Region/your Section to better Attract and Support Future Members? What were major successes since the last meeting in terms of Attracting and Supporting Future Members? How are you going to continue to support Students and Young Professionals?

Through the support of the Adhoc committee on activities in Africa, the Ghana Section is working on providing laboratory equipment support for a number of engineering educational institutions in Ghana to promote the signing of MoU to have their faculty and students supported to be members of IEEE

What activities/programs/initiatives work well to drive the vitality and sustainability in your Section? What changes would be required by IEEE/the Region/your Section to improve Section vitality and sustainability? What were major successes since the last meeting in terms of Section Vitality? How are you going to continue to foster Section Vitality?

The virtual conferences are very well patronized and should be encouraged to continue

What are your recommendations to IEEE Region 8 and the Africa Area Chair Gloria Chuckwudebe to foster IEEE in Africa? How does your Section support IEEE Activities in Africa?

The section takes active part in organizing multiple virtual conferences and training programs being undertaken by the Africa Area

What services and which kind of support would you expect for Region 8 and/or your section out of the new IEEE office in Vienna, Austria? How has the existence of this office influenced your section since its inauguration last year?

Not yet sure

Outstanding new initiatives, Special Achievements, Anniversaries.

The 2017 IEEE day was held outside the capital city in order to make the visibility of IEEE at other parts of the country
