of Belgrade on
the map of
Serbia

IEEE R8 MEETING in BELGRADE

A view of Belgrade city

IEEE R8 MEETING in BELGRADE

It is located at the place where the river Sava meets the river Danube

Belgrade is the city on two big rivers

IEEE R8 MEETING in BELGRADE

Meaning of the name Belgrade is "**White city**"

The largest city in the country with a population of **one and a half million** people

IEEE R8 MEETING in BELGRADE

It is an very **old city** with a long history and a lot of historical sights

One of the most important prehistoric cultures of Europe, the **VINČA culture**, evolved within the Belgrade area in the **6th millennium BC**.

IEEE R8 MEETING in BELGRADE

Belgrade today is a **modern**, vibrant city and a financial center of Serbia

Belgrade is one of the biggest **IT centers** in this part of Europe with about 7,000 companies in that sector

IEEE R8 MEETING in BELGRADE

Belgrade has a reputation for offering an excellent **nightlife**.

The Times and *Lonely Planet* reported that Europe's best nightlife can be found in Belgrade,

especially on **barges**, spread along the banks of the Sava and Danube Rivers

IEEE R8 MEETING in BELGRADE

Belgrade is **very well connected** with most of destinations.

The national airline Air Serbia operates flights to 42 destinations in Europe, the Middle East and USA

In 2016, Air Serbia started operating **direct flights between Belgrade and New York**

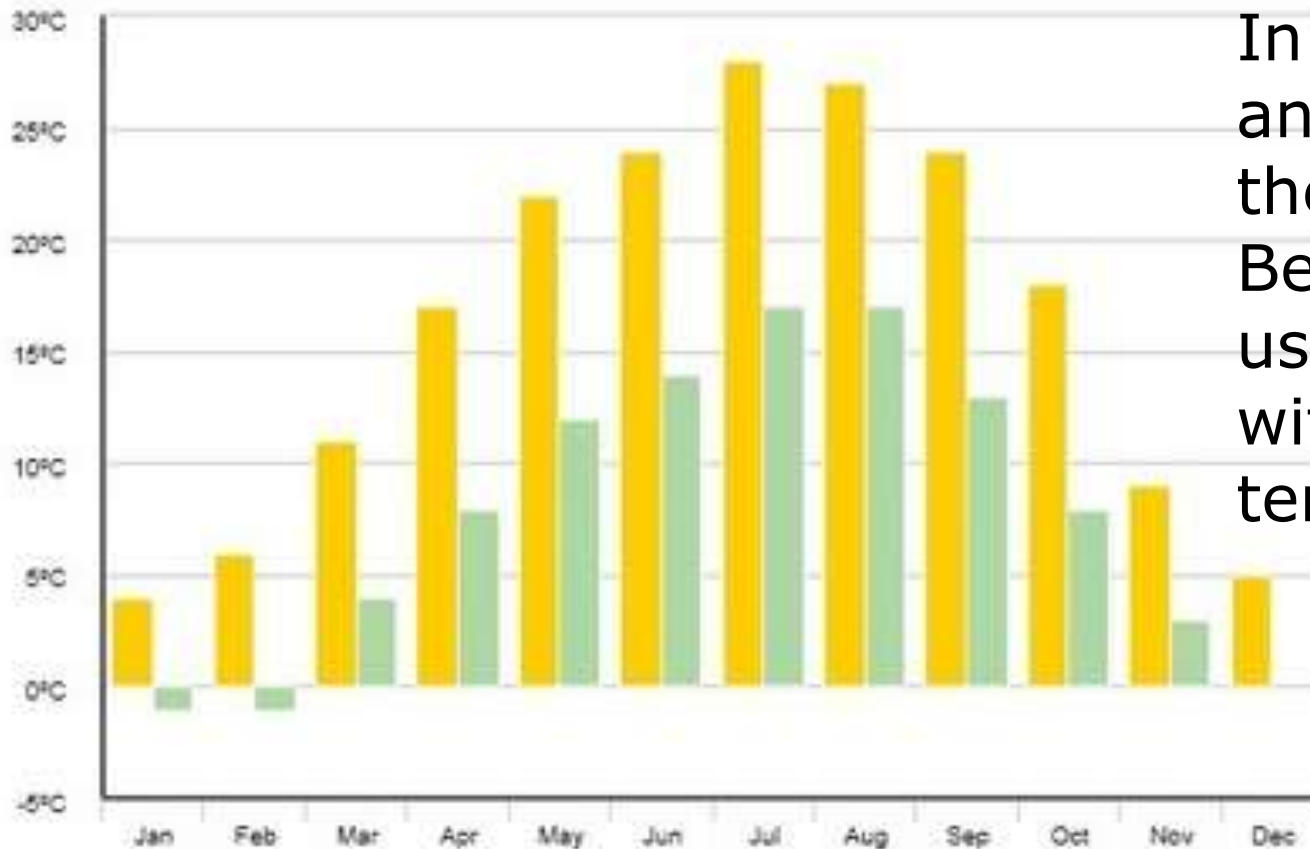

IEEE R8 MEETING in BELGRADE

Please take care of the **visa policy** between Serbia and your country.

Serbia grants visa-free entry to citizens of Schengen countries and several additional countries

Please check on time if you need a visa!

IEEE R8 MEETING in BELGRADE

In September and October the weather in Belgrade is usually **mild** with pleasant temperatures

Examples of Serbian traditional food

IEEE R8 MEETING in BELGRADE

The date of the meeting will be determined very soon, most likely it will be in October

Concerning the hotels, in this moment I can only show you several candidates
