110th R8 Committee Meeting, Athens 2018

Questions to MA

"IEEE Smart Tech Workshop Series is an excellent program that gives value to members and helps in membership development and retention. Why did you cancel it?"

"What are the minimum activities required from each section member ?"

"Please describe the real benefit of your activities to the usual IEEE member who works in industry?"

"R8 loses HG members constantly for last 4 years. Do you have any strategy of rising the new interest of this valuable part of IEEE?"
