

# Maciej Borówka

*Candidate for IEEE Region 8 Vice-Chair, SA 2019*

*Belgrade, 20.10.2018*

## Transparency Principle & Excellent Communication:

- X Using transparency as the guiding principle in all decisions.
- X Moving “communication center of the gravity” from Section Chairs to Section Student Representatives
- X Keeping perfect Communication by newsletters for SSRs, frequent e-notices and informing in advance.

## Involvement, Collaboration and Empowerment:

- X Increasing student involvement by organizing Regional/Cross-Sectional SYP Congresses
- X Achieving the synergy effect by mutual collaboration and support of WIE/YP/HKN/Technical Chapters
- X Empowerment of students by IEEE CLE and on-line/on-site trainings, sharing best practices and supporting local initiatives .

## Expansion & Support:

- X Supporting development of student activities in Africa, Central&Western Europe and Central Asia, which are currently not in the spotlight
- X Increase awareness of Sections how students can participate in formation/activities/development of Section's YP/WIE Affinity Groups and Technical Chapters
