What activities/programs/initiatives work well in your Section to foster Industry Relations? What changes would be required by IEEE/the Region/your Section to improve Industry Relations? What were major successes since the last meeting in terms of Industry Relations? How are you going to continue to foster Industry Relations?

We invited distinguished personalities from the industry to give technical talks and also share experience with university student at well organised fora. We also invited the industries to nominate personnel for IEEE Programme. Also sought sponsorship from the industries to support IEEE major programme such Power African Conference. The industry also invited IEEE members to give presentation at their engineers' forum

What activities/programs/initiatives work well in your Section to Attract and Support Future Members, e.g., Students and Young Professionals? What changes would be required by IEEE/the Region/your Section to better Attract and Support Future Members? What were major successes since the last meeting in terms of Attracting and Supporting Future Members? How are you going to continue to support Students and Young Professionals?

Organised Research Seminar Series as a way of building research capacities in the universities.

How are you going to continue to foster Section Vitality?

Volunteers were taking through a number of training programme to update their knowledge on their role as volunteers. We intend to maintain this approach and also introduce tech-talks in the universities as a way of building sustainable visibility of IEEE activities in the country.

What are your recommendations to IEEE Region 8 and the Africa Council Chair Gloria Chuckwudebe to foster IEEE in Africa? How does your Section support IEEE Activities in Africa?

Africa area Chair should encourage IEEE members to take positions and actively be involved in IEEE activities. Some of our members are already leading members of the IEEE Ad Hoc Committee on Africa.

What services and which kind of support would you expect for Region 8 and/or your section out of the new IEEE office in Vienna,Austria? How has the existence of this office influenced your section since its inauguration last year?

Outstanding new initiatives, Special Achievements, Anniversaries.

We are trying to Institute IEEE Excellence Awards Night in the Country.
