Outlook
- First election of the Africa council committee: Chair, Chair-Elect, Treasurer, and Secretary;
- Working with members from African countries to recruit new IEEE members and to create their IEEE subsections;
- Organize IEEE Technical and Humanitarian Activities in Africa;
- Organize 4 SYP congresses (North Africa, West Africa, East Africa, South Africa);
- Establish cooperation agreements with IEEE sections;
- Formation of Liberia and Ethiopia subsections, and upgrade of Mauritius from subsection to a Section.

Points of Concern
- Reduce membership fees and add benefits;
- Facilitate payment of membership fees;
- Provide to non-English speaking members access to the IEEE Technical English online courses for free;
- Transition of some of the work of the Ad Hoc to the Africa Council;
- Receive financial support from IEEE, MGA, Region 8, European commission, etc;
- Receive the annual rebate related to IEEE members belongs to non IEEE countries;
- Allow people to donate for the Africa council via IEEE Foundation website; https:www.ieeefoundation.orgdonate;
- Present IEEE in the main events in Africa;
- Attract more IEEE volunteers to help organizing more activities.

Other Issues to report
- Access to Internet and Power are still issues for sub-Saharan African countries, it affects activities of volunteers.
- The IEEE membership is expensive in African countries. It costs in some countries the half or more of members salaries.
