

### **Goals**

The main goals of the Region 8 Young Professionals team for 2018 are to:

- 1) To establish goals and standards around publications and communications arising out of IEEE Region 8;
- 2) To provide coordination of the above;
- 3) To provide a vehicle for new ideas around pubs and comms within Region 8;
- 4) To provide best practice to th Region 8 through the Sections/Sub-sections.

### **Status**

At this point we are establishing the modus operandi of this subcommittee, and then the remit of each member (or publication/communication).

### **Outlook**

Good cohesion within the committee and a strong commitment going forwards

### **Points of Concern**

Ensuring that outputs do not give mixed messages or are contradictory/ doubled-effort - this is our primary concern.

### **Other Issues to report**
