Welcome!

ENERGYCON 2020 is the 6th IEEE International Energy Conference and will be held between 13-16 April 2020 at the Ramada Plaza Hotel in Gammarth – Tunis (Tunisia). It is organized by the IEEE Tunisia Section, in partnership with IEEE Region 8, IEEE Power and Energy Society, and IEEE Industry Applications Society [under approval].

ENERGYCON covers a broad range of electric power and energy systems topics and is open to contributions that are related to the theme "tba".

ENERGYCON aims to attract scientists, professional engineers and engineering students from all over the world and give them the opportunity to present and publish their work, discuss, exchange ideas and knowledge as well as network for future collaborations.

Accepted and presented papers will be published in the conference proceedings and submitted to the IEEE Xplore Digital Library.
