

## Motion

**ACTION:** Motion to approve new member in the IEEE Africa Council  
**TO:** 113<sup>rd</sup> IEEE Region 8 Committee Meeting- 12-13 October 2019.  
**FROM:** Habib M. KAMMOUN, IEEE Africa Council, secretary.

### EXECUTIVE SUMMARY:

The IEEE Africa Council secretary received requests from Liberia subsection to join IEEE Africa council.

The IEEE Africa council committee approved the Liberia subsection requests to join the council, during its 4<sup>th</sup> meeting on 11 October 2019.

According to the IEEE Africa council bylaws, the Region 8 committee and the MGA Board should approve the new members.

*1.2.d. Any current or future Sections and Subsections whose membership includes IEEE members residing in the African continent can join the Africa Council in agreement with the IEEE Member and Geographic Activities (MGA) Operations Manual, 9.3, I.1. A Section or Subsection wishing to join the Council may do so with the approval of its own Executive Committee, the Council Committee, the Region 8 Committee, and the MGA Board. The recommendation for approval of the Section or Subsection joining the Council is presented to the MGA Board by the Region Director.*

**REQUEST:** That Region 8 approve the IEEE Africa Council new member: Liberia Subsection.

Dear Dr. Habib Kammoun,

Greetings!!

Thanks for your warm congratulatory mail and welcome message in the IEEE Africa geographic council.

We are very much interested to be a team member in the IEEE Africa council.

We will appreciate to include this request in your next meeting agenda and kind approval from the R8 and MGA board.

Hope an appropriate consideration by your good-self.

*Kind Regards*

Kamal Kant Hiran  
Founder, IEEE Liberia Subsection  
IEEE Senior Member
