

Africa Council Chair

Vincent Kaabunga

Goals

Coordinate the inter-Sectional activities of the constituent Sections and Subsections.

- Provide effective representation and support for the constituent Sections and Subsections.
- Promote IEEE activities in Africa.
- Assist with development of activities in Africa including developing new Sections, Subsections, Chapters and Affinity Groups.
- Provide for joint meetings of Sections, Subsections, conferences and symposia within the Council, coordinate student activities within the Council and assist Sections, Subsections, Chapters and Affinity Groups in the administration and documentation of activities within the Council.

Points of concern

Sources of funds for Council activities.

Latest Africa Council Development figures

10 Sections and 5 subsections Sections- Algeria, Morocco, South Africa, Ghana, Kenya, Mauritius, Nigeria, Tunisia, Uganda, Zambia Subsections- Botswana, Burkina Faso, Sudan, Tanzania, Liberia

Election of officers has successfully conducted for Council officers.

Africa Students and Young Professional Congress 2019 held in Nairobi Kenya, 19th-20th December, 2019.

Trends

Increase in number of IEEE members.

Proposals for improvements

More conferences and Workshops should be held in Africa.

Other Issues to report

The number of IEEE volunteer needs to be increased.
