Progress against goals since the last report
- Organizational schema changed, OU contributors dismissed. Recruited 2 Contributing Editors;
- Communication for Region 8 Today through Publications and Communications Committee email;
- Publishing policy document not yet approved;
- Software tools requested but not yet purchased;
- New users increased by 297
- Returning users increased by 200
- YPs and SAC collaborations is very limited, mainly because we receive articles for events 6 month old, which cannot be published in Region 8 Today, according to what was agreed in Pubs and Coms Committee meeting in Vienna.

Proposals for improvements
- News Article writing webinar;
- Promotion of Region 8 Today via e-notice;
- YP and SAC active and on-time content sharing.
