List the activities carried out to foster relations with Industry and the results obtained. List the initiatives planned during the next 6 months and their expected outcomes. How can the Region help your Section in your industry-related activities?

Having an industry relations officer in the section board has helped. We have had regular lectures and seminars with industry representatives. Also closely in touch with industry representatives for sponsorships for larger events.

Region can help more by having a list of industry speakers that one can reach out in case the section needs help with.

Challenges (with a focus on what support is required from Region 8)

- The treasury part is very confusing. We get money from HQ but with no proper meta data. The treasurer has to spend a lot of time hunting who the funds have come for.
- Also asking for same data again and again is annoying.
